Spiritually sensitive

I have just completed a great week as a participant in Open Studios Cornwall. My greatest joy was to run pastel workshops and share my passion for the medium with others. We had a glorious time! You may well wonder what the spiritual link may be...

Simple. Just consider the artists you know. Most of them will be spiritually sensitive. Their spiritualities might vary but their spiritual sensitivities will have a lot in common. And you will find many Christians in all the artistic disciplines, from material arts (pictures, writing, etc,...) to those that travel through space and time (dance, music, etc,...).

Why?! Because being creative is being in the image of the God who created us. The first 5 words in the Bible are, "In The Beginning God... Created". In the beginning, nothing is there apart from God. Then, the first thing we find out about God is that He CREATED. Everything, visible and invisible. So, if we believe we are created in the image of God, one of the most fulfilling things we can do is to create. To be truly who God created each one of us to be, we need to be creative in every area of life. Cooking can become a life of creativity. Project management can become a life of creativity. You do not need to be an artist to be creative. All you need to have is a spiritual connection, deep down, to the One Who created you. In-Spirit-ation is the key. Whether we are aware of it or not, as creative beings, we sometimes experience the profound spiritual experience of being "carried along", of "surfing" with our ideas, of "knowing" the solution. THAT is creativity, the most precious gift your Creator is giving you at that very moment. And we can ALL gratefully enjoy it!

Corinne Tounray

Port Isaac Community Larder

We are in the very early stages of starting a Community Larder in Port Isaac and we are looking for volunteers to help set up and run it.

What is a Community Larder?

A community larder is a 'pop-up' hub, a place to access food that is surplus, make friends, access additional services and save money on your bills. It is a great way in reducing food waste, creating opportunities and engaging with communities. It will be available to everyone in the community.

What's the difference between a food bank and a community larder?

Food banks do a fantastic and very necessary job helping to support people who are experiencing food poverty.

Community larders are stocked with food from shops which would otherwise go to waste. Everyone is welcome to use them, not only those experiencing food poverty, to help prevent food going to landfill.

If you can help in any way, please contact Rose Jones at revrosejones@gmail.com or email Gavin Tyler at gavin@northcornwallclusterofchurches.org.uk

July at St Peter's Church

During the Art week, Church members will be making drinks and providing cakes etc. for the visitors to the Painting Exhibition in St Peter's. We would welcome anyone making cakes to boost sales.

If anyone has any unwanted books, children's games or toys please leave them at the back of church for the joint fete with St Endellion on August 10th.

Chapel Warden

Beach Clean Creations in St Peter's

On Sunday 10th July 9.30am, we are holding a special family service in St Peter's, Port Isaac. As part of the service we will be creating artwork from litter found on beaches. We would love to welcome you! It will be particularly suitable for little hands so please bring children or grandchildren. We are encouraging those who would like to attend to do a beach clean before the service and bring what you find with you to church.
